

15 Second Radio Spots

Your local radio station will have sound tracks for sound effects and background music that can be used with these scripts. If you choose to have background music, we suggest something light. If the music is too loud or if it is too complex, your message will suffer.

Ship where you Shop

Radio - :15

Say goodbye to long lines at the post office and hello to (insert store name) where "Service" is our middle name! We make it easy for you to save time AND money when you "Ship where you Shop" at (insert store name/locator).
